About Us

Our VISION: To provide spa treatments as a lifestyle choice for all health conscious individuals who want to indulge and relax.

Our MISSION: To present spa boutiques that offer affordable products, services and expertly trained spa technicians at accessible, convenient neighborhood locations.

Simplyface+body is a new brand division of Elizabeth Arden Spas, LLC and a natural extension of the nearly 100 year legacy created by beauty and wellness pioneering founder Elizabeth Arden. Elizabeth Arden Spas continues as the largest day spa company in the world with an empire of renowned day spas and destination resorts. Current spas in the company include Red Door Spas and Mario Tricoci Hair Salons and Day Spas.

Simplyface+body, a new and innovative concept in the company's brand portfolio, provides highest quality facial and massage services delivered by expertly trained technicians at affordable prices and convenient locations. Service protocols have been developed under the supervision of an internationally acclaimed innovator in the spa industry. Face and body products have been carefully selected to complement service offerings.

Career Opportunities

Applying for a position at Simplyface+body is the first step to a lifetime career with one of the most prestigious spa companies in the world. We welcome you to join our established, famed, and reputable team, and are looking for people with a passion to perform and who are driven to deliver exceptional, professional customer service.

Available positions include:

- Management
- Guest Services
- Licensed Massage Therapists
- Estheticians who are looking to develop a career in the spa industry
- Recent Massage and Esthetician school graduates (top of class – students) who are state licensed and school certified

SIMPLY FACE & BODY
SEPTEMBER 2008

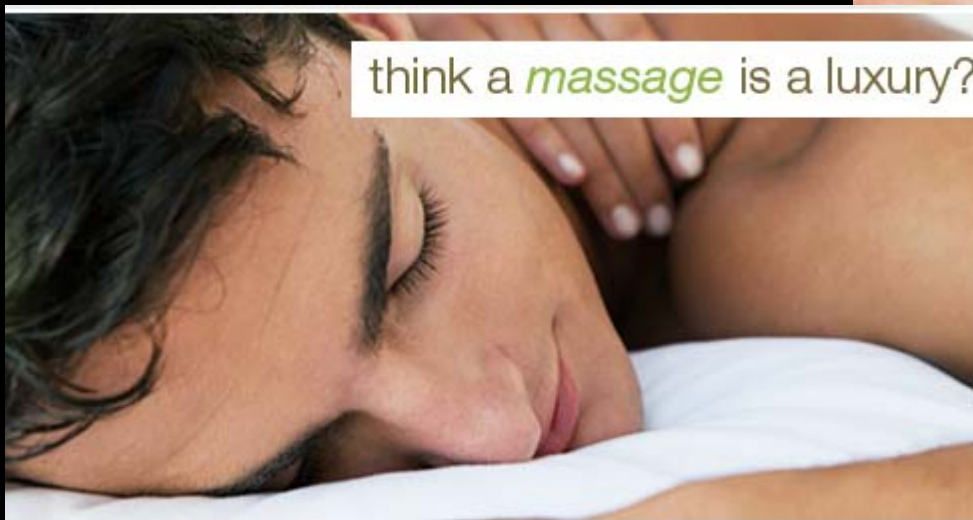

think a *facial* is an indulgence?

think *spa services* are too expensive?

think a *massage* is a luxury?

we say, this is *simply* not true.
